Standards for Camp Staff Members

Code of Conduct

As a member of the Camp Staff of the Snake River Council, I understand that my personal example and conduct prior to and during the camping season must be of the highest standard.

I understand that the following behaviors are reason for my immediate removal from the camp staff.

- Use of alcohol/illegal drugs on camp property
- Use of tobacco products (for staff under 18 years)
- Theft
- Violation of youth protection procedures
- Other un-Scout-like behavior

I will follow the Scout Oath and Law in all that I do.

Scout Oath

On my honor I will do my best, to do my duty
 To God and my country, and to obey the Scout Law;
 To help other people at all time; to keep myself
 Physically strong, mentally awake, and morally straight.

Scout Law

A Scout is:

- | | | |
|-------------|-----------|----------|
| Trustworthy | Loyal | Helpful |
| Friendly | Courteous | Kind |
| Obedient | Cheerful | Thrifty |
| Brave | Clean | Reverent |

Dress and Grooming Standards

As a member of the Snake River Council Camp Staff, staff members must meet the dress and grooming standards to enhance the image and professionalism conveyed to campers and guests of the camp.

- Official Boy Scout uniforms are to be worn at all official camp ceremonies such as flag ceremonies, campfires and at other times designated by the Camp Director.
- Uniforms are to be official Boy Scouts of America issue and must be worn properly.
- Haircuts for men must be conservative and in a tasteful style. Dyed hair in unnatural colors (green, pink, blue, etc.) and extreme hair styles will not meet standards.
- Jewelry will be conservative and tasteful. Male staff members may not wear earrings. Other piercings (nose, tongue, eyebrow, etc) will not meet standards.
- No facial hair may exist below the middle of the ear except for a neatly trimmed mustache which shall not exceed the width or length of the upper lip, (except those with medical conditions –PFB that have a signed doctors recommendation to not shave) or approved at the time of interview.

As the Boy Scouts of America is a private organization, registration in the BSA is requirement of employment.

I have read and if employed by the Snake River Council as a Camp Bradley Staff member, I will live by the Code of Conduct and Dress and Grooming Standards stated above along with other guidelines that will be given at time of acceptance.
