

**PROJECT COUNSELOR'S REPORTING SHEET
FOR ALL EAGLE SCOUT SERVICE PROJECTS**

Eagle candidate: _____

This sheet has been adopted for the use of all professional individuals who work in conjunction with the Eagle scout applicant in planning, designing, and completing service projects that are preformed for public agencies (Forest Service, Fish & Game, Parks and Recreation programs, school district, etc). And should be filled out only by the project counselor.

The purpose of the sheet is to assure the Eagle Scout Board of Review Committee that the Eagle candidate has successfully and completely carried out the approved project to the total satisfaction of the professional for whom the candidate is rendering the project. The project counselor should make certain that the candidate has complied with all the requirements detailed in the project, unless noted below by the counselor, at which point he, the project counselor, would then sign satisfactory completion of the project.

The project concept was discussed and approved on a departmental basis with _____: my title is _____
_____ with the following agency _____
_____, on this date _____

Signed _____

The project was completed to my satisfaction and has complied with the plans approved in the previous paragraph on this date _____

Signed _____

Deviations from the original plan and or comments:
