NATIONAL YOUTH LEADERSHIP TRAINING

National Youth Leadership Training is an exciting, action-packed program designed to provide all 13- to 20-year-old youth members of the Boy Scouts of America with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others.

The NYLT course centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts will work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.
