

- **Twin Falls County Johnny Horizon cleanup day is Saturday , May 1, 2018**

Ahh, the call of the open road. Somehow, with trash along it, the ring gets a bit muffled. "Johnny Horizon Day" is when we can help make the tone a bit sweeter! Twin Falls County, Twin Falls Lion's Club and Southern Idaho Solid Waste are sponsoring the 49th year of "Johnny Horizon Day Clean Up" on May 5.

Using the contact list below, individuals and/or organizations can sign up for a route then pitch in. The plan is to have everybody in and done in 4 hours. There's plenty of litter to go around, so.... accept the challenge! Hey, when you finish, there's lunch for participants at Filer Fairgrounds, The Community Center in Castleford, and behind the LDS Church in Murtaugh beginning at 11am.

TWIN FALLS — The 49th observance of "Johnny Horizon Day" will be at 8 a.m. Saturday. This clean-up of all the roads and byways in Twin Falls County will be sponsored by the county, the Twin Falls Lion's Club and Southern Idaho Solid Waste. Dedicated citizens, young and old, are needed for the day. Within four short hours, every road within the county can be clean of litter and debris. Trucks from the highway district, Twin Falls Canal Company and Twin Falls County Parks will pick up the bags. When your route is done, the Lion's Club will provide lunch beginning at 11 a.m. at the Filer Fairgrounds in the sale barn; at the Community Center in Castleford; and behind the LDS Church in Murtaugh.

Individuals and/or organizations are invited to participate by calling the coordinator in your area for an assigned route. You can also go to Twin Falls County Parks and Waterways, 1234 Highland Ave. E., to ask for a route.
